

In preparation for your pet's grooming appointment, please take a few moments to look over and fill out our grooming preferences form; please provide this to our staff at the time of your pet's admission. Thank you.

- Up-do-date vaccinations are required for your pet's grooming appointment; this is to include their Rabies vaccination, as well as FVRCP (feline)/DHLPP (canine). If your pet is past-due on these vaccinations, you can schedule an appointment prior or we can vaccinate your pet at the time of grooming.
- Due to reasons such as anxiety or aggression, some pets will require sedation for grooming.
- In addition to shaving and trimming your pet's hair, we will trim their toe nails and bathe them in an aromatic shampoo. To top it off, we spritz them with a fragrant, deodorizing pet body spray.

Preferences (check all that apply)

- I would like my pet's hair shaved at a **short length**. (appropriate for most hair types)
- I would like my pet's hair shaved at a **medium length**. (may not be appropriate for all hair types)
- I would like my pet's hair shaved at a **long length**. (may not be appropriate for all hair types)
- I only want the "feathers" trimmed on my pet. (such as long hairs on legs and feet)
- I only want a sanitary shave (typically around hind quarters)
- Shave my pet's face Scissor trim my pet's face
- Shave my pet's ears Scissor trim my pet's ears
- Shave my pet's tail Scissor trim my pet's tail
- Rather than an aromatic shampoo, bathe my pet in a flea and tick shampoo.
- Should you have a preferences not listed above, please specify:

Additional Options (check all that apply)

- Heartworm Test (advised on all dogs older than six months and not on a year-round preventative). *This test costs \$15.75*
- Feline Leukemia and Feline AIDS Test (advised for all new cats, outdoor cats, and those not previously tested or vaccinated). *This test costs \$45.00*
- Home Again Microchip. *This costs \$39.00 (Other fees from Home Again are applicable)*
- While your pet is here for their grooming appointment, we have the opportunity to have our doctor's evaluate them. If you have any concerns with your pet, such as masses, allergies, bad breath etc., please elaborate below:

I authorize the Harrison Animal Hospital to perform the procedures listed above. I consent to the use of anesthetics if the veterinarian feels that it is necessary. I understand that there are certain risks and complications associated with any procedure or anesthesia; these risks have been explained to me as well. I understand that the Harrison Animal Hospital is not a professional grooming facility.
